History

Handleigh Hall was built in 1780 by the Graham family. It is a fine example of Georgian architecture and has been the home of the family ever since. The house is surrounded by a large park and is a popular destination for visitors.

The Graham Family

The Graham family has lived at Handleigh Hall for over 200 years. They are a well-known family in the area and have played a significant role in the history of the estate. The family is now looking for a new home and is offering the hall for sale.

Estate Walks

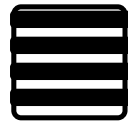

There are several walks available on the estate, including a 10k walk, a 15k walk, and a 20k walk. The walks are suitable for all levels of fitness and are a great way to enjoy the beautiful scenery of the estate.
